Dear Facilitator,

Welcome to the second annual Mobile Jewish-Christian Dessert n' Dialogues. Thank you for offering your services as facilitator for this series of meetings. We are enclosing for your use, a "Checklist for Group Discussions" as well as a partial list of points that you may wish to make prior to each meeting.

Several other points for your consideration: 1) Each group will nominate a secretary at its first meeting. Before concluding the dialogue, it should be determined who the host and/or hostess will be for the next meeting and the topic which will be discussed. It will then be the secretary's responsibility to call the members of the group prior to the following meeting reminding them to call the host/hostess and inquire as to what they might bring. This should make it easier for everyone. 2) Individual groups may meet on any night of the week that suits their convenience. However, we should all be meeting during the same week, as indicated by the dates of the original correspondence.

Dessert-Dialogue will begin at 7:30 PM this year with dessert and fellowship. Dialogue should begin no later than 8:00 PM. Facilitators are responsible for closing the dialogue promptly at 9:30 PM.

The success of last year's discussions is a magnificent base from which to move forward. We are blessed with a delightful group of Jews and Christians who are able to share their feelings and faith with mutual respect and understanding and we are all looking forward to another fruitful year of delectable desserts and dynamic dialogue.

Shalom/Peace,

Nancy & Mary
