As Convention Co-Chairman and as a member of the District Seven Board of Governors, the Committee considering such awards was unanimous in its selection of each of you for the great ecumenical contributions you have made to people of good will and from all walks of life in our community.

The Mobile Christian Jewish Dialogue that you helped co-found is considered to be a model for such programs in other areas. You have each set high standards for yourself and for the Dialogue, and they are reflected in the high quality of programs and acceptance of this wonderful effort in our community.

Our Committee shall be pleased to send letters announcing the award to your friends. Please send me a list of names and addresses. Guests will be welcomed on a first come, first served basis who would make their reservations by Thursday, June 7, 1984. We are now working with the Committee and hotel in determining the per plate costs.

I look forward to being in the audience and watching this coveted award as it is presented to three of the finest people it has ever been my privilege to know.

Yours truly,

Ed Franco,
Convention Co-Chairman
