

YOM HASHOAH SERVICES

AND

SPECIAL GUEST SPEAKER

The MOBILE AREA JEWISH-CHRISTIAN DIALOGUE invites your careful attention to the following announcement. On May 6, 1986...YOM HASHOAH...The annual commemoration of the victims of the Holocaust and the millions of other victims will be held at the Springhill Avenue Temple with the hope that we will strive always to overcome prejudice and inhumanity through vigilance and resistance.

Mayor Arthur Outlaw in behalf of the City of Mobile and Governor Wallace, through the recently appointed Holocaust Advisory Council have proclaimed the week of May 4 through May 11, 1986 as the DAYS OF REMEMBRANCE.

The commemorative observance will begin promptly at 7:30 PM. Because of the solemnity of this observance, you are requested to be present and in your seat before 7:30 so that the service can begin with reverence. The service will include members of the community and a choir with special music selected for this important remembrance.

Immediately following the service, we are pleased to have with us, the Rev. Isaac Rottenberg, an ordained minister of the Reformed Church in America who presently serves as the Executive Director of the National Christian Leadership Conference for Israel. The Conference is a coalition of Christian supporters of Israel that encompasses Evangelicals, "Mainline" Protestants, and Roman Catholics. Reverend Rottenberg was born in London, England and reared in the Netherlands. During the Nazi Occupation of that nation, several members of his family were imprisoned because of anti-Nazi activities and Rev. Rottenberg's father died in the concentration camp, Mauthausen.

The topic of Rev. Rottenberg's address is: "MEMORY AND DESTINY"

We look forward to being with each of you for this important evening of remembrance because it is integral to our common commitment to remember our dead. It is also important that we remember the survivors, the families and the Righteous so that we may study and learn in our own age that, in learning and, in remembering, we may yet have reason to justify our faith in humankind.

In the words of Elie Wiesel, "...for the dead and the living, we must bear witness."
