YOM HASHOAH

You are invited to join us on the evening of April 29, erev Yom Hashoah, at the Springhill Avenue Temple. Each year, we members of the Mobile Area Jewish-Christian Dialogue gather to **REMEMBER** the millions of victims of the Holocaust.

Perhaps silence is the only appropriate response to an event so horrific that it defies our imagination. However, as human beings, we find it compelling to make some attempt at communicating our horror; to gather together and . . . to remember.

To assist us in this effort, we are pleased to report that Ira and Pat Swingle have agreed to join us for this solemn evening. Their music is known to most of you and we hope you will make plans to be there. Mark you calendars now! **REMEMBERING** is a responsibility for each of us, Jew and Christian alike.

WHERE: Springhill Avenue Temple
WHEN: April 29, 1992 - 7:30 p.m.

Holocaust remembered

William Archie, a junior at Davidson High School, holds a flower as he scans the program for the Yom HaShoah Holocaust remembrance service at the Congregation Ahavas Chesed on Monday. In the background is a display entitled "The Dachau Times," one of many made by area students detailing the rise of Nazism in Germany, as well the horrors of the concentration camps where 6 million Jews were put to death during World War II.
