

Yom HaShoah 2006

The Mobile Jewish-Christian Dialogue invites and encourages you to join us on Monday evening at 7:00 PM at the Springhill Avenue Temple for the annual Day of Remembrance. More than sixty years have passed since the end of the Nazi tyranny that was intended to eliminate world Jewry from the face of the earth. We join together each year at this time (Erev Yom HaShoah) to remember those who lost their lives during this horrific time period in the 20th century.

Our Teacher Cadre and our students have been studying the lessons of the Holocaust and some will share their thoughts with all of us on the evening of April 24, 2006. Those of us in the Southern Region of the Alabama Holocaust Commission are genuinely proud of these outstanding teachers and students. We hope you will be there to show your interest and support for their efforts.
